## David J. Kaler, M.D.

*Board Certified  
Orthopaedic Surgeon*

Dr. Kaler, licensed to practice in the State of Florida and Board Certified by the American Board of Orthopedic Surgery as been providing state of the art orthopaedic services in his privately owned practice since 1983. He is an active staff physician in the Department of Surgery with two of the largest hospitals in Port Charlotte, Peace River Regional Medical Center and Fawcett Memorial Hospital. Dr. Kaler is very active at both hospitals either in staff position or serving on committees. He has been Chief of Staff, Chairman of the Department of Surgery, Chairman of Utilization Review Committee, Vice President of Medical Staff served on the Credential Committee and Surgical Care Evaluation Committee.

Dr. Kaler received his Bachelor of Science Degree in Chemistry/Biology from Murray State University, Murray Kentucky, his Doctor of Medicine Degree from University of Louisville, Louisville Kentucky, Surgical Internship at Baptist Memorial Hospital, Memphis Tennessee. He was a Fellow in Orthopaedic Surgery at W.C. Campbell Clinic in Memphis Tennessee and had a Fellowship in Spinal Surgery at Southern Illinois University, Springfield, Illinois.

Continuing education is ongoing for Dr. Kaler. He continues to attend seminars, trainings and workshops to keep abreast of current patient care standards and surgical techniques as well as Quality Added Utilization Review and Risk Management information.

Dr. Kaler is a member of the Charlotte County medical Society, Florida Medical Society, American Medical Association, Southern Medical Association, Southern Orthopaedic Association, W.C. Campbell Club, Florida Physicians Association, Inc., National Osteoporosis Association, American Academy of Orthopaedic Surgeons, American College of Surgeons and the Charlotte County Chamber of Commerce.

In his free time Dr. Kaler's favorite things to do are motorcycling and growing roses.

## Howard F. Saslow, M.D.

*Fellowship Trained  
Knee and Hip Replacement*

Dr. Howard Saslow is licensed to practice in the states of Florida, New York and North Carolina. He is a fellowship trained Orthopaedic Surgeon. Dr. Saslow has been practicing in Charlotte County for over twenty years.

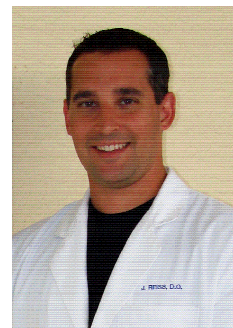

Born in Brooklyn, New York, Dr. Saslow received his under graduate degree at the State University of New York at Buffalo. After Medical school he completed a clerkship at the United States Public Health Service Hospital in Staten Island, and a fifth pathway at the State University of New York at the Downtown Medical Center College of Medicine, Lutheran Medical Center in Brooklyn. Dr. Saslow completed both surgical and orthopaedic residencies at The Bronx Lebanon Hospital Center at Albert Einstein College of Medicine in New York. He went on to complete at the Wrightington Center for Hip Surgery in England.

Dr. Saslow has been practicing in Port Charlotte since 1986. He has hospital affiliations at Fawcett Memorial Hospital and Peace River Regional Medical Center. He previously held positions of Vice Chief of Medical Staff and Chief of Medical Staff at Fawcett Memorial Hospital.

Dr. Saslow believes strongly in continuing education, and he continues to attend numerous national and state continuing education courses to keep current with new treatment techniques.

After years of owning his own orthopaedic surgery practice, Dr. Saslow joined Charlotte Orthopaedic Clinic in February of 2009.

In his free time, Dr. Saslow enjoys restoring old cars.

## Jason E. Reiss, DO

*Board Certified  
Orthopaedic Surgeon  
Fellowship Trained Knee  
& Hip Replacement*

Dr. Jason Reiss is a Board Certified Orthopaedic Surgeon certified by the American Osteopathic Board of Orthopedic Surgery and is licensed to practice in the state of Florida.

Dr. Reiss graduated from the University of Florida, and attended medical school at Nova Southeastern University, where he graduated in the top ten percent of his class. He spent a year of general surgery training at the Ohio University College of Osteopathic Medicine, then went on to a residency in orthopedic surgery at the Philadelphia College of Osteopathic Medicine, where he was named chief resident in his last year. Dr. Reiss completed an additional fellowship specializing in total joint reconstruction at Pennsylvania Hospital, part of the University of Pennsylvania. Recently, Dr. Reiss was selected as one of three orthopedic surgeons to present his research at the annual Joint Arthroplasty Young Investigators Conference, sponsored by Duke University Medical Center. He is a member of the American Academy of Orthopedic Surgeons, the American Osteopathic Association, and the American Osteopathic Academy of Orthopedics. Dr. Reiss devotes much of his practice to joint reconstruction, and is especially skilled in hip, knee and shoulder reconstruction and arthroscopy.

Dr. Reiss is a member of the American Osteopathic Association, American Medical Association, American Osteopathic Academy of Orthopedics and the Florida Medical Society.

Dr. Reiss and his wife, Kristin are both native Floridians and enjoy the outdoor life Florida has to offer. Dr. Reiss joined Charlotte Orthopaedic Clinic in 2006 and enjoys practicing in the area as well as with Dr. David Kaler.
